

Westar Students in the 6th, 7th and 8th grades **you are invited!**

Interested in.....

solving crimes?

building a roller coaster?

meteorology?

creating a video game?

the solar system?

These are just a few activities from the many options you can experiment with by being a part of Westar’s own Science Olympiad team!

All students who are in the 6th, 7th and 8th grades are invited to attend the Science Olympiad informational meeting on **September 6, 2018 2:45pm-4pm in STEM Lab 501.**

During this meeting you will receive information on how to sign up and all the details about being on Westar’s Science Olympiad team! You will also get to experience hands on the “mystery architecture” event and learn more about the many exciting opportunities available to participate in when you join Westar’s Science Olympiad team.

Please RSVP by August 31, 2018
